Rajasekharan, the sole named inventor of the '597 application, has filed a declaration, executed on August 21, 2002 and received by the mail room for the PTO on August 23, 2002, in the '952 application, which declaration establishes joint inventorship for both applicant Kovesdi and Ajit Rajasekharan in the substantially identical published claims of the '952 application.
8. Both the '952 and the '597 applications claim the benefit of the priority date and have a disclosure that is substantially identical to the disclosure of United States Provisional Application No. 60/306,356 filed on July 18, 2001, which provisional application names both Mr. Ajit Rajasekharan and Ms. Rozsa Kovesdi as constituting the inventive entity.

The undersigned, Rozsa Kovesdi, believes that this information is material.
